## 2026

# ABOUT US

Since 1978, our third generation, family owned, Queensland based business has been supplying affordable, commercial-quality textiles to the Australian Hospitality Industry.

With over 45 years of expertise, as the Queensland member of the Alliance Textile Group, we proudly deliver trusted quality and innovation through our renowned Alliance brand.

With warehouses and sales teams in every state, the Alliance Textile Group provides competitive deals and fast delivery.

Our Brisbane showroom and warehouse offer expert product advice and assistance.

At Thomas Textiles, we proudly serve the accommodation industry, educational centres, healthcare providers, laundries, and beyond.

# SUSTAINABILITY

## Sustainability at Thomas Textiles

At Thomas Textiles, we make it easy for Queensland's hotels, healthcare providers, and commercial operators to meet sustainability goals without compromising quality.

## Our Approach

We source low-carbon, recyclable, and biodegradable materials – working with manufacturers who share our commitment to responsible production and innovation.

## Smart, Sustainable Solutions

- Plastic-Free Innovation: Phasing out polyester for fully compostable treated fibres.
- Longer Life, Less Waste: Durable products mean fewer replacements and lower costs.
- GRS-Certified Recycled Textiles: Remaining polyester lines are 100% recycled.
- Eco Packaging: Corn-starch slippers and reduced plastic across all packaging.
- Closed-Loop Logistics: Reusable, recyclable cartons in every shipment.

## Trusted Partnerships

We collaborate with leading mills operating under strict ESG standards to deliver sustainable textiles for Queensland's hospitality, healthcare, education, mining, and government sectors.

## Our Commitment

Sustainability isn't a trend – it's our ongoing responsibility. We're constantly innovating to protect Queensland's environment while helping your business meet green procurement targets and impress guests, patients, and staff.

# OUR BRANDS

## Alliance

Alliance is a leading name in specialized commercial textiles, renowned for its commitment to excellence.

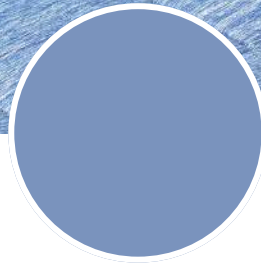

Every product undergoes extensive research, sourcing, and testing, ensuring consistent availability across Australia.

## Flow Furnishing

Flow Furnishings is a leading manufacturer of premium curtains and soft furnishings, operating from a state-of-the-art facility in Sydney.

In addition to their own high-quality products, they import an extensive range of electrical and operational supplies, expertly tailored to meet the unique needs of the hospitality industry.

# NEW ARRIVALS

The Savannah Comforter is designed for comfort, durability, and ease of care – ideal for healthcare and aged care facilities.

Built for high-turnover environments, it's lightweight, easy to launder, and retains its quality through repeated use.

A reliable bedding solution for hospitals, clinics, and aged care homes seeking long-lasting comfort and value.

#### Available Sizes:

- King Single: 170 x 235cm
- Queen: 230 x 240cm
- King: 260 x 240cm

#### Colours:

- Jet
- Sky

# ECO COLLECTION

Sustainable, durable, and built for the demands of healthcare.

Our Eco range offers responsibly sourced bed and bath linen with a soft, comfortable feel suited to hospitals, clinics, and aged care facilities.

Designed for frequent laundering and long-term use, it's a reliable choice for facilities aiming to reduce their environmental footprint. Visit our website to explore the full range.

# PILLOWS

Give your residents superior comfort with our premium healthcare-quality pillows. Built for commercial use, they're durable, supportive, and soft, with a range of fills and firmness levels to suit individual needs. Easy to clean and maintain, ideal for aged care, hospitals, and healthcare facilities across Queensland.

# HEALTHCARE PILLOW

Enhance patient comfort and hygiene with our Healthcare Pillow, designed for hospitals, aged care, and medical facilities across Australia. With a noiseless PU cover and 630gsm flame-retardant polyester fill, it delivers reliable support while meeting strict healthcare standards.

The 100% waterproof surface wipes clean in seconds, reducing harsh laundering, lowering costs, and extending product life. A practical choice for healthcare environments seeking comfort, safety, and value.

# BED COVERS

We supply a wide range of Ready Made and Made to Order top-of-bed products designed for healthcare and aged care settings, including bed runners, cushions, comforters, quilt covers, bed wraps, and top sheets.

All items are available in functional, easy-care colours and patterns, with sizing options suited to clinical environments and frequent laundering.

For our full range, visit our website  
[thomastextiles.com.au](http://thomastextiles.com.au)

## PROTECTORS & HYGEINE

Improve resident comfort and extend the life of your bedding with our commercial-grade mattress and pillow protectors, and incontinence solutions. Designed for high-frequency use, they provide reliable protection against spills, moisture, and allergens while maintaining a comfortable, hygienic sleeping environment. Easy to launder, long-lasting, and available in bulk with fast Queensland delivery.

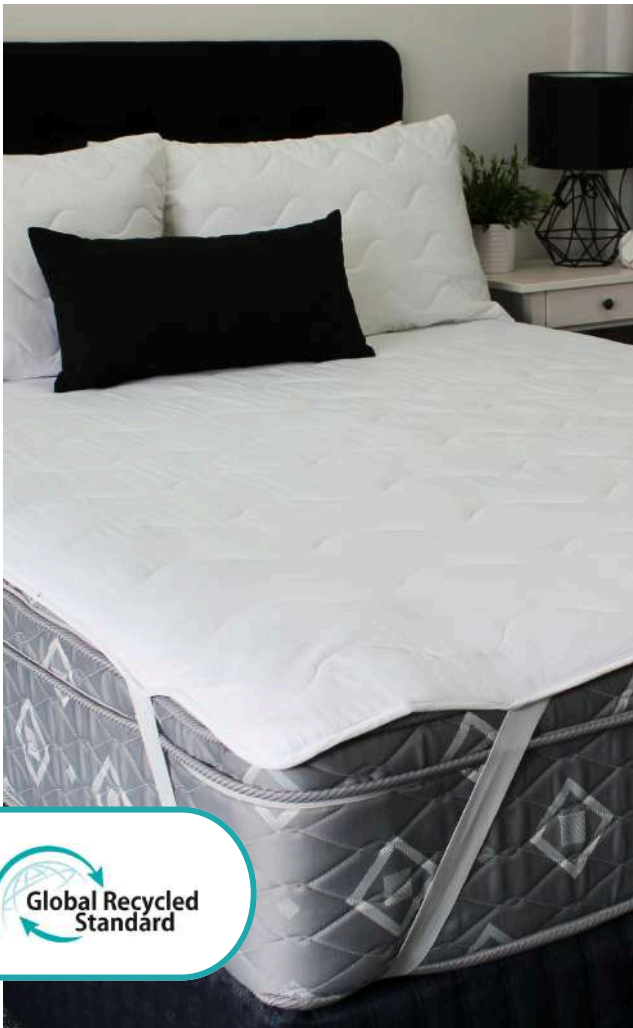

Experience Australia's only biodegradable, water-resistant protector—engineered with a patented polyester treatment that breaks down cleanly without releasing pollutants.

Its breathable PU backing delivers reliable water resistance, while easy-care laundering (including tumble drying) keeps turnover simple.

Available in all major bed sizes, plus Standard and King pillow protectors with PU backing and zip closures for full, fuss-free protection.

**ECO  
COOL BREEZE
