HOSPITALITY

THOMAS TEXTILES

ABOUT US

Since 1978, our third generation family owned Queensland business has been supplying affordable, commercial-quality textiles to the Australian Hospitality Industry.

Thomas Textiles are the proud Queensland member of the Alliance Textiles Group. With over 45 years of expertise, we deliver trusted quality and innovation through our renowned Alliance brand.

With warehouses and sales teams in every state, the Alliance Textile Group provides competitive deals and fast delivery.

Our Brisbane-based showroom and warehouse in Acacia Ridge displays our product lines and we offer expert product advice and assistance. Please feel free to pay us a visit.

At Thomas Textiles, we proudly serve the accommodation industry, educational centres, healthcare providers, laundries, and beyond.

SUSTAINABILITY

Sustainability at Thomas Textiles

At Thomas Textiles, we make it easy for Queensland's hotels, healthcare providers, and commercial operators to meet sustainability goals without compromising quality.

Our Approach

We source low-carbon, recyclable, and biodegradable materials – working with manufacturers who share our commitment to responsible production and innovation.

Smart, Sustainable Solutions

- **Plastic-Free Innovation:** Phasing out polyester for fully compostable treated fibres.
- **Longer Life, Less Waste:** Durable products mean fewer replacements and lower costs.
- **GRS-Certified Recycled Textiles:** Remaining polyester lines are 100% recycled.
- **Eco Packaging:** Corn-starch slippers and reduced plastic across all packaging.
- **Closed-Loop Logistics:** Reusable, recyclable cartons in every shipment.

Trusted Partnerships

We collaborate with leading mills operating under strict ESG standards to deliver sustainable textiles for Queensland's hospitality, healthcare, education, mining, and government sectors.

Our Commitment

Sustainability isn't a trend – it's our ongoing responsibility. We're constantly innovating to protect Queensland's environment while helping your business meet green procurement targets and impress guests, patients, and staff.

OUR BRANDS

Alliance

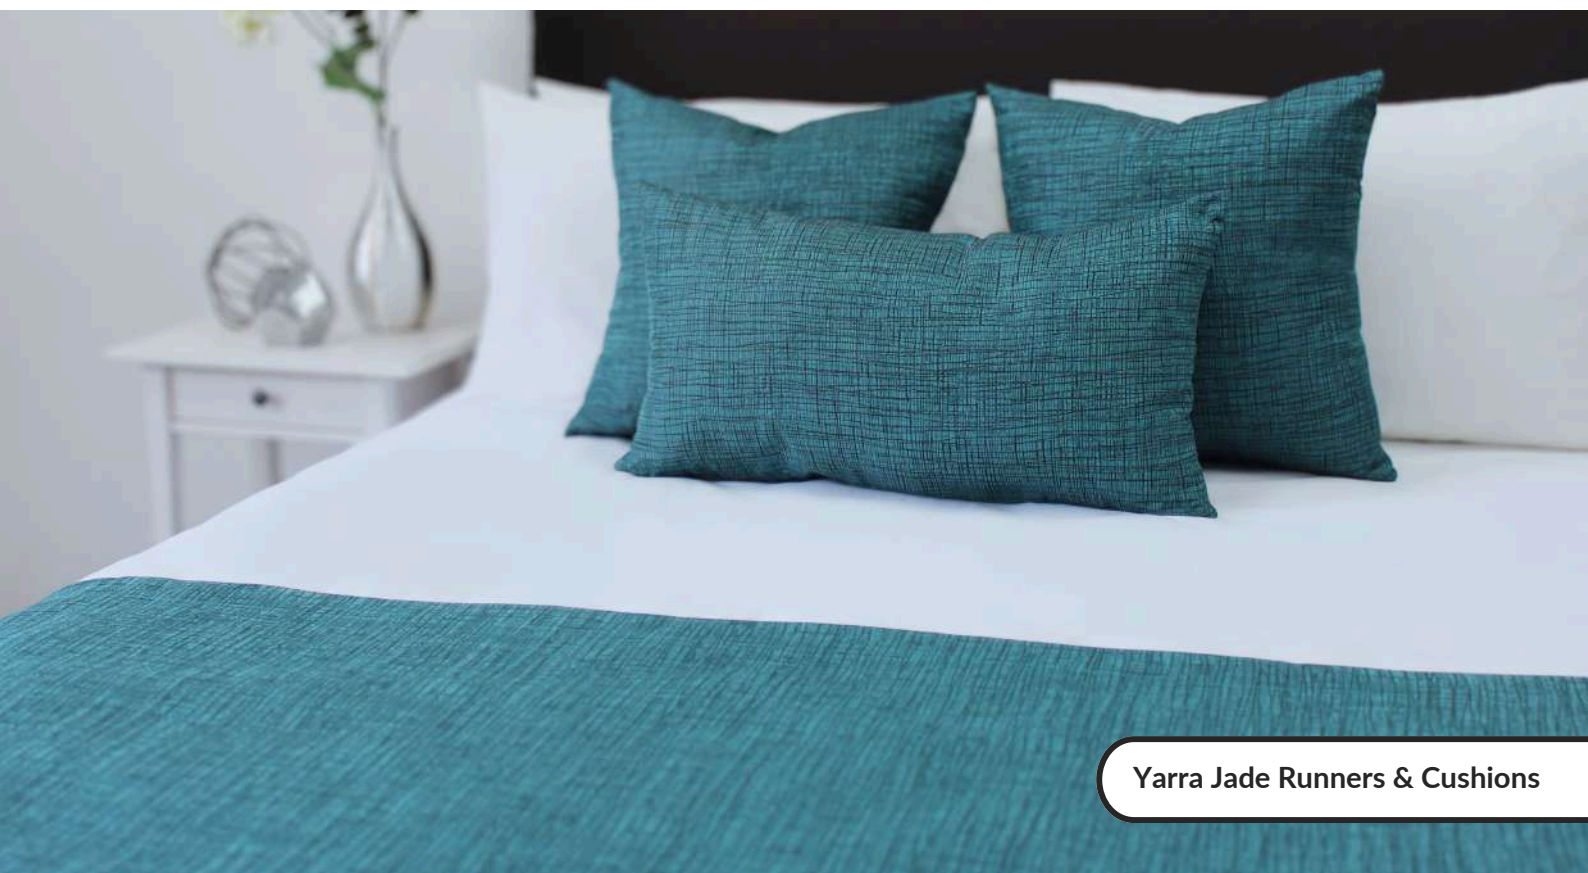

Alliance is a leading name in specialized commercial textiles, renowned for its commitment to excellence.

Every product undergoes extensive research, sourcing, and testing, ensuring consistent availability across Queensland.

Flow Furnishing

Flow Furnishings is a leading manufacturer of premium curtains and soft furnishings, operating from a state-of-the-art facility in Sydney.

In addition to their own high-quality products, they import an extensive range of electrical and operational supplies, expertly tailored to meet the unique needs of the hospitality industry.

Yarra Jade Runners & Cushions

NEW ARRIVALS

The **Savannah Comforter** is designed for comfort & durability – making it the perfect bedding solution for hospitality, healthcare, and remote-site accommodation.

Built for high-turnover environments, the Savannah Comforter is lightweight, easy to launder, and retains its quality through repeated use.

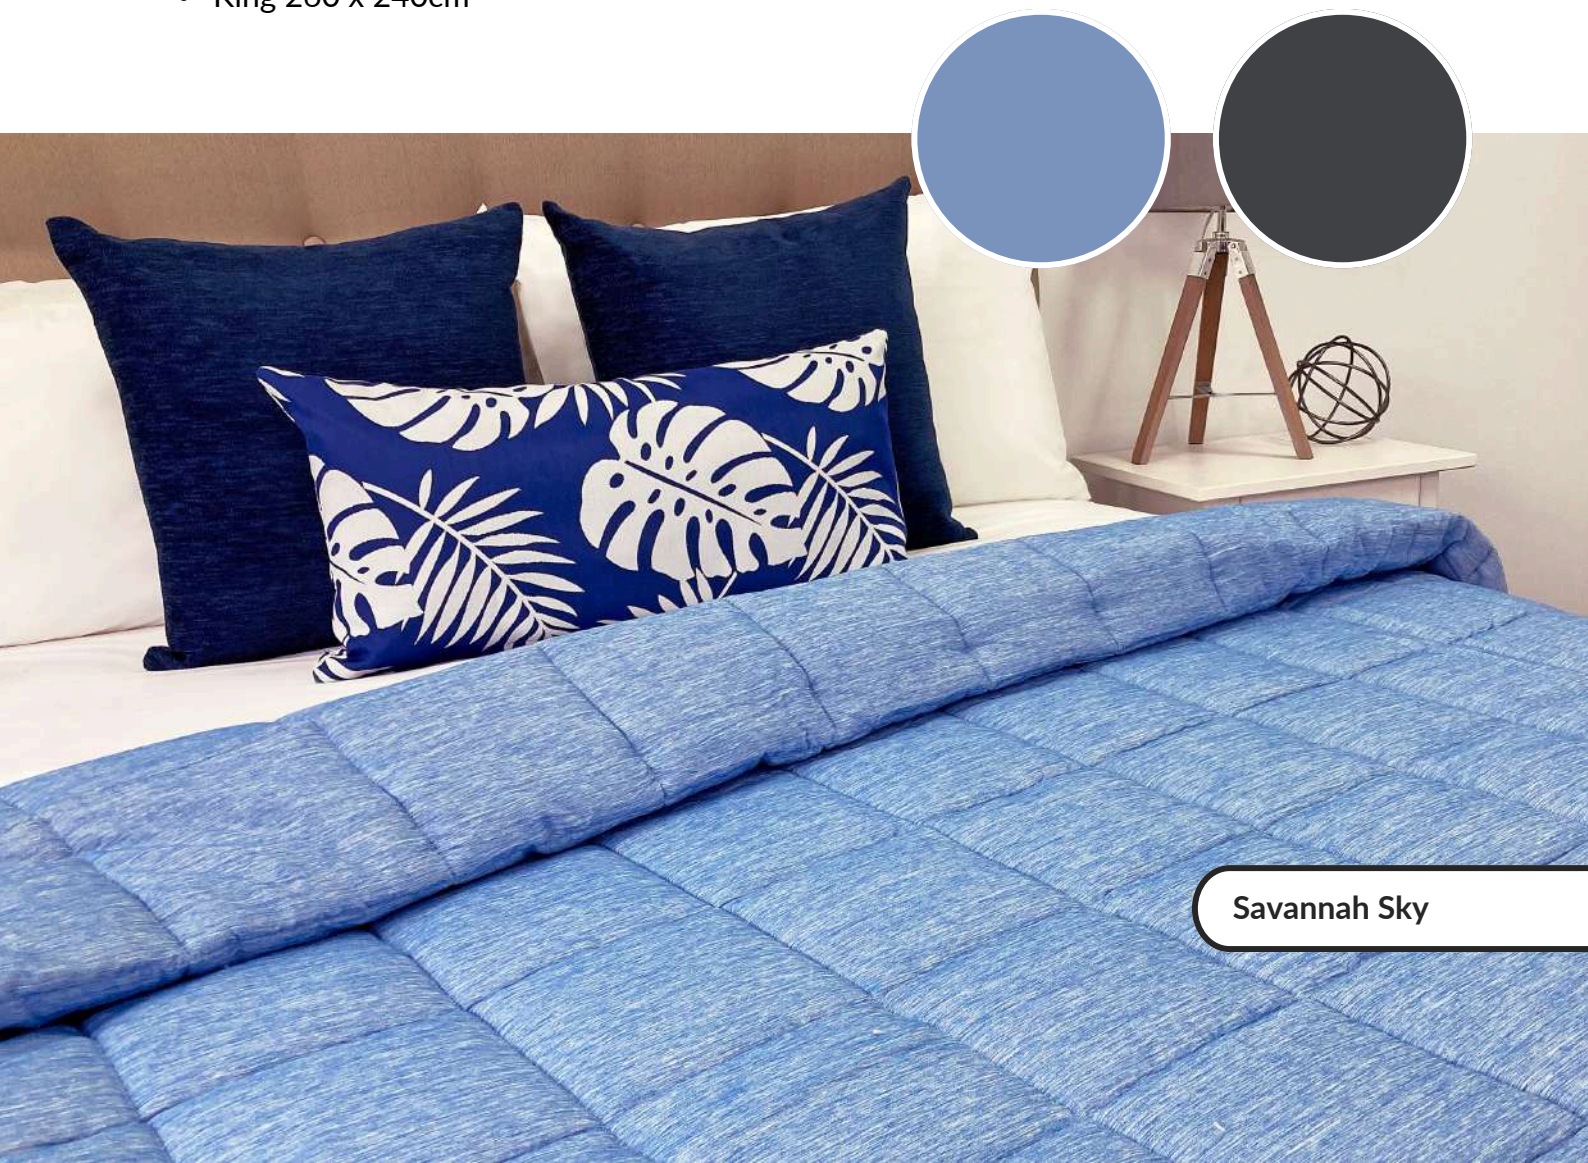

An excellent choice for hotels, motels, healthcare facilities, and mining camps seeking long-lasting value.

Available Sizes:

- King Single 170 x 235cm
- Queen 230 x 240cm
- King 260 x 240cm

Colours:

- Jet
- Sky

Savannah Sky

ECO COLLECTION

Sustainable, durable, and made for commercial demand.

Our Eco range delivers responsibly sourced bed and bath linen with a soft, modern feel for hotels, healthcare, accommodation providers and Airbnbs.

Visit our website to see the full range.

Luxe Bath Linen

Eco Pillow

Cool Touch Bed Linen

Cool Breeze Protectors

Easy Sleep Pillow

Classic Firm Pillow

PILLOWS

Give your guests superior comfort with our premium hotel-quality pillows. Built for commercial use, they're durable, supportive, and soft, with a range of fills and firmness options to suit any preference. Easy to maintain and ideal for hotels, resorts, and accommodation providers across Queensland.

ECO PILLOW

Meet the **Eco Pillow** – Queensland’s eco-friendly choice for hospitality, healthcare and mining. It offers premium comfort with **600g of certified Ecotek** biodegradable fibre, a high-quality cotton cover, low profile and a durable piped edge.

While standard fibre pillows rely on plastic-based fillings that never break down, the Eco Pillow is designed to **biodegrade** in landfill conditions in around three years, a truly sustainable end-of-life option.

Perfect for high-turnover commercial use, it delivers comfort, durability and real **sustainability**. Choose the Eco Pillow to demonstrate greener practices without sacrificing quality or hygiene.

Cool Breeze Pillow Protectors

Cumulus Fibreball Mattress Topper

PROTECTORS & TOPPERS

Upgrade guest comfort and protect your bedding with our commercial-grade mattress and pillow protectors and toppers. Durable, easy to maintain, and built for heavy use, they guard against spills and allergens while adding a layer of luxury. Available in bulk and wholesale, with delivery across Queensland.

ECO COOL BREEZE PROTECTORS

Experience Australia's only biodegradable, water-resistant protector—engineered with a patented polyester treatment that breaks down cleanly without releasing pollutants.

Its breathable PU backing delivers reliable water resistance, while easy-care laundering (including tumble drying) keeps turnover simple.

Available in all major bed sizes, plus Standard and King pillow protectors with PU backing and zip closures for full, fuss-free protection.
