THOMAS TEXTILES

Since 1978, our third generation, family owned, Queensland based business has been supplying affordable, commercial-quality textiles to the Australian Hospitality Industry.

With over 45 years of expertise, Alliance Textile Group proudly delivers trusted quality and innovation through our renowned Alliance brand.

With warehouses and sales teams in every state, the Alliance Textile Group provides competitive deals and fast delivery.

Our Brisbane showroom and warehouse offer expert product advice and assistance.

At Thomas Textiles, we proudly serve the accommodation industry, educational centres, healthcare providers, laundries, and beyond.

SUSTAINABILITY

At Thomas Textiles, we're **Queensland's leading supplier** of **eco-friendly textiles** for hotels, Airbnbs, healthcare facilities, student housing, mining camps and government organisations. We make it easy for your business to **meet green procurement targets**, reduce waste and show real environmental leadership.

Our Commitment to Sustainability

Our Progressive Sustainability Philosophy goes beyond buzzwords. We source **low-carbon materials** and work with manufacturers using **innovative fibre technology** to deliver products that are recyclable or fully biodegradable at the end of their life.

Smart, Sustainable Practices that Save You Money

- Plastic-Free Innovation – Phasing out polyester in our Classic Quilts, Cool Breeze Protectors and selected pillows for an **innovative treated fibre** that fully decomposes.
- Longer-Lasting Products – Extended product life cycles reduce replacements, cutting costs and waste.
- GRS-Certified Recyclable Textiles – Remaining polyester products are **100% recycled** to the Global Recycled Standard (GRS).
- Eco Packaging – Corn-starch packaging for slippers and **halved single use plastic waste** in our pillows.
- Closed-Loop Logistics – **Recyclable paper cartons** reused throughout warehousing operations.

Industry-Leading Partnerships

We partner with leading textile mills and alliance manufacturers under strict **ESG guidelines**, ensuring our supply chain meets the high standards expected by Queensland's hospitality, education, healthcare, mining and government sectors.

Looking Ahead

Sustainability is a continuous journey. We're developing new green strategies and collaborating with reputable suppliers to **reduce our impact** on Queensland's unique environment.

At Thomas Textiles, we're proud to align with the United Nations' definition of sustainability — meeting today's needs without compromising tomorrow's. We'll continue to deliver **high-quality, innovative and sustainable textile solutions** that help your organisation meet its environmental commitments and delight your guests, staff and stakeholders.

OUR BRANDS

Alliance

Alliance is a leading name in specialized commercial textiles, renowned for its commitment to excellence.

Every product undergoes extensive research, sourcing, and testing, ensuring consistent availability across Australia.

Flow Furnishing

Flow Furnishings is a leading manufacturer of premium curtains and soft furnishings, operating from a state-of-the-art facility in Sydney.

In addition to their own high-quality products, they import an extensive range of electrical and operational supplies, expertly tailored to meet the unique needs of the hospitality industry.
